

2022 Muscatine Power and Water Meter Reading Schedule

To read the meter reading chart, find the first four digits of your account number in the left-hand columns. If you do not know your account number, it is located in the upper right-hand corner of your billing statement directly above the amount due. Read across the chart below until you reach the current month. The number at the intersection of your account number and month is the day your meter will be read.

Please note that your meter reader may arrive 2 business days before or after the specified date due to weather conditions, holidays, and other unforeseeable events. Please make sure your meters are accessible by keeping pets restrained* and away from the area; by clearing any debris such as snow, ice, and leaves; and by keeping bushes and shrubs trimmed so they do not obstruct view.

For the safety of MP&W Employees and the welfare of your pets, it is important that you notify the Utility if you have an invisible fence in your yard. City of Muscatine Ordinance 4-1-8 (F) requires residents to notify the City and utility companies if they have an invisible fence and post a sign alerting the public to the invisible fence. Customers in the county should also notify the Utility if they have pets confined with an invisible fence.

For added convenience, submit your water and/or electric meter readings online at: www.mpw.org**
